BPS Newsletter – Number 6
Friday 23rd April, 2021

Dear parents,

Welcome Mr Guinane

We were so happy to welcome Mr Guinane to our school this week. He has absolutely hit the ground running and has quickly become popular amongst students with his gentle manner and attempts to mark the football backwards during break times.

Cross Country

The students who represented our school during the cross country today made us proud. They each ran their own race and gave their all. Well done to Isaac and Angus Ferguson who placed third and fourth and to Rylea Bailey ran a spectacular 11th. Thank you to Mr Guinane and Heidi Ferguson for supporting them during this event and to parents who took the time to cheer them on.

ANZAC Dawn Service

The dawn Service for ANZAC Day will take place on Sunday at 5:45 am. Students from Bridgewater Primary School will be laying a wreath at the service. This week they learnt some facts about ANZAC Day with Mr G and created a poppy garland. This will be on display during the post service community breakfast. Please ensure that your child is in school uniform if you decide to attend – we would love to see you there!

Grounds Grant

A surveyor came out to the school last Friday to measure the playground area that has been identified for synthetic turf. This information will be passed to the playground architects who will contact the school (including students) for feedback around a design. The oval across the road will not be included in the project, just the area around the playground and the back of the school. Hopefully there will be enough money for a space-net or equivalent to replace some of the old metal equipment.
