STUDENTS OF THE WEEK

None this week due to the commencement of Term 4.

WALK2SCHOOL OCTOBER:

October is **Walk2School** month and we are asking volunteers to help supervise our 'Walking School Bus'. If you are able to assist, please advise the school. We will be beginning on Thursday, 19th October and it will run each day until Friday, 3rd November, inclusive. Participating students are to meet outside the former 'Toadstools and Tumbleweeds' shop before 8:30 a.m. each morning and will be returned to this location each afternoon by 3:45 p.m. Leonie has offered to drop off and pick up our bus travellers from this location. The **Loddon Shire** is supporting this activity and will provide a Kelly Sports Day at the Inglewood Recreation Reserve in celebration of this event.

HALF-DAY OPEN DAY, THURSDAY 19TH OCTOBER:

Reminder: We are conducting a half-day OPEN Day tomorrow, Thursday, 12th October, from 12:30 to 3:30 p.m.

BREAKFAST CLUB:

Breakfast Club will not be conducted next week due to the Gr. 3-6 Anglesea Camp.

GRADE 3-6 ANGLESEA CAMP:

Next week is the week! We head off on Monday the 16th of October. I hope everyone is excited and ready to go! YMCA Anglesea have asked me to add something to our list of "things to bring" and that is a fitted sheet for a single bed. If you do not wish to bring one as your child is using a sleeping bag, that is ok. Another reminder that a hat (caps acceptable, bucket/wide brim preferred) needs to be brought along as it Term 4 and we are a Sun Smart school. If you have any questions don't hesitate to contact Mr. Allen.

SOMERS CAMP:

How excellent, we now have all four of our applicants going to Somers Camp! Mr. Allen is locked in to go along to Somers Camp now as well, we're under two weeks until we head off. Drop off and pick up for students will be at the Marong Pub, with more details to come as they arrive.

MICHAEL'S RACING DRONES:

Michael Webb, a past student of Bridgewater Primary School, visited our school yesterday to share his knowledge and passion for 'Drones'. We witnessed an amazing demonstration of his flying skills and marvelled at the manoeuvrability and speed of these intriguing items of technology. It was a thrill to hear about Michael's drone racing which has taken him to many different countries around the world. Our students were totally engaged and fascinated.

THANK YOU, MICHAEL!
