

STUDENTS OF THE WEEK

None this week due to the commencement of Term 3.

STUDENT ATTENDANCE:

New School Attendance Guidelines

From the commencement of Term 3, 2018, all Victorian government schools must contact parents/carers as soon as practicable on the same-day of an unexplained student absence.

The same-day notification requirement supports the safety and wellbeing of all students. Schools need to know when and why a child is absent and parents/carers need to know if their child is not at school. Prompt communication also promotes daily school attendance. Going to school every day is the single most important part of a child's education. Children and young people who regularly attend school and complete Year 12 or an equivalent qualification have better health outcomes, better employment outcomes, and higher incomes across their lives.

Accompanying this newsletter is a copy of the school's Student Attendance Policy, which was recently endorsed by School Council.
