

STUDENTS OF THE WEEK

Angus - for his excellent questions during class! Gus is an inquisitive learner, who enjoys learning about the world around him. He often asks questions to make sure he is completing a task correctly or to gain assistance. He really shows his strengths when he starts questioning why things are the way they are. Well done Gus, continue asking questions!

Lachlan - for working hard to build upon his mathematical skills when dealing with money and budgets! Lachlan has been extending his knowledge this term through his maths travel project, to develop real life skills to plan a trip on a budget. He has had to research and compare prices to ensure he does not exceed his budget and continually question his decisions in relation to time and money. Lachlan has pushed himself these past few weeks to explore different mathematical concepts. Keep up the great work, Lachlan!

PARENT OPINION SURVEY 2018:

An information letter accompanies this newsletter. In the letter, you will find a link and a password for the Parent Opinion Survey. The survey will need to be completed by August 26th. We would love to have every family participate!

PARENT/TEACHER INTERVIEWS:

Parent/teacher interview appointments for Wednesday, 15th August, are included with this newsletter.

LET'S RIDE

This term we will be using our Sporting Schools funding to offer our students an opportunity to develop their bike skills. Students will be taught techniques to enable them to ride more proficiently in a traffic-free environment i.e. park, backyard, around the block etc. We will be conducting this program every Thursday, beginning next Thursday, 16th August. Students will be participating in 6 x 1 hour sessions. Students will need to bring their bikes on these days. If families would like to store bikes at the school or drop them off prior to the sessions the school will safeguard them. If anyone has difficulty in sourcing a bike please let the school know in advance and we will attempt to provide one.

CHECK OUT YOUR BIKES AND MAKE SURE THEY ARE READY TO RIDE!
