STUDENTS OF THE WEEK

Emma - for the selfless attitude, she displayed while coding an animation last week! Emma is very confident when using a computer; she picks up tips very quickly. Once she was finished following the instructions, Emma would get out of her chair and helped other students to complete the steps in the correct order. She enjoys sharing her knowledge with other students, helping them to learn along the way. Great job, Emma, keep helping others!

Connor - for his positivity and energy that he brings to school! These past few weeks, Connor has shown great enthusiasm towards his school life and his class work. He has been working hard to produce some excellent writing and Maths work and has displayed great leadership skills in both the classroom and playground. Connor, it is great to see you having a go at everything school has to offer. Keep up the fabulous attitude and keep that funny sense of humour coming in to school! You certainly keep Mrs Lawson on her toes!
