PLAYGROUP

Tuesday 28th
Inglewood P. S. shared program 11.30-3:15 pm

Wednesday 29th
Breakfast Program 8:20 onwards

PLAYGROUP:

We have decided to postpone Playgroup at Bridgewater P S for next Monday, 23rd March. Considering the first Monday in Term 2 is Easter Monday, this will give us slightly over a month for the COVID 19 situation to clarify itself and thus inform future decisions.

CROSS COUNTRY:

The cross country has now been postponed, in line with the department's new ruling, no excursions or camps to be undertaken at this time.

ANZAC DAY SERVICE:

After consulting with Bill at the Inglewood RSL, it was decided, due to the Coronavirus outbreak, we will NOT be holding the ANZAC DAY Service at the Bridgewater Memorial Hall this year. We wish all Good Health and hope this is all over soon. Regards BOLD Committee.

TERM 1 CELEBRATION:

Next Wednesday, we are hoping to cook lasagne for lunch. We are conscious of good food hygiene practices, considering the current COVID 19 situation. We will use this opportunity to teach and reinforce good food hygiene. Controls: - clean preparation surfaces, thorough hand washing, using clean utensils, meal will be served up by an adult wearing gloves, absolutely no sharing of food or utensils etc. These good practices will be pertinent for school lunchtime and breakfast club, as well. If parents feel uncertain about this undertaking, please feel free to provide feedback.

Hannah has received her Grade 6 T-shirt. She is our 'Wonderful One' for 2020.

**World Oral Health Day
March 20th**

Tips for looking after your families teeth:

- 1. Brush every morning and night:** Use fluoride toothpaste. Brush every tooth gently in circles for two minutes. Spit and do not rinse with water at the end.
- 2. Drink well:** Drink mainly tap water. Soft drink and juice have added sugar that are not good for your teeth.
- 3. Eat well:** Enjoy a wide variety of nutritious foods from all five food groups. Limit foods with added sugar. Healthy meals and snacks are important for healthy teeth.
- 4. Visit the dentist every year:** Visit the dentist at least once every year. They will check to make sure your teeth are growing properly and are clean.
- 5. Change your toothbrush often:** Get a new toothbrush every three months.
